

ELECTION PRIMARIES LISTA APERTA

***“WE’RE NOT DEFENDING AN IDEA.
WE’RE AFFIRMING A PRESENCE.”***

On March 18th and 19th the elections for student body representatives will be held. It is important that, in addition to instructors, there be a **real student presence** on every university board, one that will remind everyone of the **centrality of the student**: of our importance in expressing opinions on approaches to teaching, infrastructure, and finances; in highlighting problems and needs; and in proposing solutions.

What we're voting for:

Representatives will be renewed for the following committees: University Board of Directors (il Consiglio d'Amministrazione dell'Università); Academic Senate/ University Faculty Board (il Senato Accademico dell'Università); il Consiglio territoriale dell'ARDSU; University Athletic Committee (il Comitato Sportivo Universitario); Equal Opportunity Committee (il Comitato Pari Opportunità); and the Board of Academic Affairs (i Consigli di Facoltà e i Consigli di Corso di Laurea).

What is LISTA APERTA?:

Lista Aperta is a nonpartisan lista that has come about to affirm a presence and not an idea. In fact, for us the person is the first distinctive characteristic of university politics, that is, a **presence that comes before politics itself**, one that operates and builds within society and the university. This is a **presence that must be defended so that the university may actually be a place of freedom and comparison** in which it is possible to make contributions that are useful to everyone. This comes about not by starting from an imposed idea of what a university is, but from the experience of attending university. It is this idea of pluralism that motivates us in the work of student representation.

WHY THE PRIMARIES?:

In order to sustain this protagonist’s spirit we propose the **PRIMARIES**. When faced with an event as important as student elections, we propose the candidacy of just anyone who may be interested in where he or she studies.

Where, When, How:

From the 3rd to the 9th of February you may declare your candidacy and participate in the primaries. To find out the open hours at the various departments, visit: www.firenze.listaperta.it
